

# Sourcing Apple devices

HEAnet has established a drawdown arrangement with 3 suppliers across 5 Lots for Apple devices plus some associated support services which schools can avail of.

| Lot Number | Supplier            | Products   | Optional Add-ons   |
|------------|---------------------|--|--|
| 1          | Iconnect/ Screenway | Ipad<br>Ipad Mini  | Spec options and accessories   |
| 2          | Typetec/ Wriggle    | Ipad Pro 12.9"<br>Ipad Pro 10.5"   | Spec options and accessories   |

Schools are directed to email the HEAnet's [brokerage@heanet.ie](mailto:brokerage@heanet.ie) e-mail address requesting full disclosure of the available options, and they in response will issue full details of the bundle. Thereafter, the school is directed to the discount matrix and after considering the option(s) that best meets their needs, can then e-mail their order to the preferred supplier.
